A MINISTRY OF LOWELL CHURCH OF CHRIST

When meeting with someone battling cancer for the first time, volunteers from Hope Center present a Hope Tote filled with items that will bring comfort to a cancer patient . The totes include handmade fleece blankets, a bible, a Hope Center travel cup, a port pillow, lip balm, lotions, handmade cards and more. All items have been hand-selected by those who have experienced cancer treatment.

To request a Hope Tote for a family member, friend, neighbor or co-worker facing cancer, please call Hope Center at (219) 552-1640.

Hope Tote items we collect:

- ◆ Original scent hand sanitizer (Target or Walgreens brand)
- ◆ Hard covered journals
- ◆ Adult coloring books
- ◆ Sudoku or word search books
- ◆ Travel games: UNO, Pass the Pig etc.
- ◆ Decks of playing cards
- ◆ 8 or 12 count Crayola colored pencils
- ◆ Men's hats
- ◆ Women's hats
- ◆ Scent-free/Flavor-free lip balm

Each Hope Tote includes a homemade fleece blanket. Two, two yard pieces of fleece are needed to make each adult blanket. We continuously deplete our supply. Blankets are accepted all year long.
